NEW MOTOR DESIGN/WARRANTY

A new motor design replaces the current motors in the T3, T5, and T7 Treadmills. Additionally, the warranty has been increased from five to fifteen years (parts only – NO Labor). Units built in the 3rd quarter of 2004 with the earlier motor design will receive the new extended warranty provided the unit was delivered after 8/1/2004.

The table below shows the motor part numbers.
